- Cheque / Draft be drawn in favour of Local Secretary, Dayanand Institutions, Solapur
- Funds are eligible under section 80 G.

The Arya Samaj from New Delhi established Dayanand Institutions in Solapur in 1940. It laid the foundation of higher education. Its eternal motto “Tama So Ma Jyotirgamaya...” (“Let there be the light of knowledge..”) indicates a noble intention of providing higher education to the masses, particularly, the downtrodden people in this part of India. Since their inception, Dayanand Institutions have offered educational opportunities to students from Solapur city and district, Marathwada region of Maharashtra, Karnataka, Andhra Pradesh, etc. For the last 75 years Dayanand Institutions have evolved into a great center of academic excellence. The U G C, New Delhi has honoured D.B.F. Dayanand College of Arts and Science as the “College with Potential for Excellence” in 2010. The NAAC, Bangalore has re-accredited it with the ‘A’ grade from 2014. D.A.V. College of Commerce and D.P.B. College of Education have received state level recognition in implementation of students & social programme of “Jagar Janivandha”.

In 2014-15 Dayanand Institutions are celebrating its Platinum Jubilee. This is a time for celebration, congratulation and rejoicing. This is a time for taking a retrospective view of the vision of the Founding Fathers and the achievements. As a part of development almost all the buildings in the campus are being given a facelift. There have been constant efforts to equip all the Departments and faculties with state-of-the-art technology for improving academic standards.

The funds received from the government are meager and insufficient to meet the increasing expenses for the infrastructural development. Since 1940 D.A.V. College Management Society & Trust, New Delhi has always provided financial assistance for the over-all growth and development of the Institutions at Solapur. This year also D.A.V. College Management Society & Trust, New Delhi has given financial assistance of one crores for overall growth and development of Institutions of Solapur. The

Teaching & Non-Teaching staff of Dayanand Institutions have also donated generously towards the Platinum Jubilee fund to assist the infrastructural needs of the institutions.

Though it has acquired heritage status now the buildings are in need of total renovation and alteration for which huge funds are required. We need substantial funding for their future growth. Therefore, we have thought of a fund raising drive from the alumni, NGOs and well-wishers to meet the monetary challenges in future. We are sending out this earnest appeal to all of you to contribute whatever amount of money you can spare to our Platinum Jubilee Fund. The amount collected for this fund will be utilized for the development of the Institutions. As alumni and beneficiaries of the Institutions, you are requested to spread this message across your friends, colleagues and acquaintances who might respond to our call by contributing to this noble cause. Dayanand Institutions have guided thousands of Indian students who have acquired greatest positions in the society and by brought laurels to their mother-institutions. Therefore, we make this earnest appeal to all alumni to extend their help and cooperation to their college for the benefit of future generations of students. The donations given towards the Platinum Jubilee funds are eligible under section 80 G.

We are eagerly looking forward for your positive response.

Thank you
