Report on Seminar on Career in Banking Sector (06/07/2023)

On 6th July 2023, DAV Velankar College of Commerce, Solapur, organized a seminar on "Career in Banking Sector" aimed at providing students with detailed insights into the various career opportunities available in the banking industry. The seminar was held in Classroom C-11, and 76 students participated in the event. Experts from the banking sector were invited to share their knowledge on the diverse roles within the industry, including positions in public and private banks, as well as the growing field of digital banking.

The seminar covered essential topics such as the qualifications required, the different entry-level and higher-level roles, and the skills needed to excel in the banking profession. The speakers also discussed the recruitment processes of major banks and the importance of certifications such as IBPS exams. The session was interactive, and students were encouraged to ask questions, gaining clarity on their career paths in banking. The event proved to be informative and beneficial for students considering a career in the banking sector.

Report on Guest Lecture on CA Preparation (19/07/2023)

A guest lecture on "CA Preparation" was held on 19th July 2023 at DAV Velankar College of Commerce, Solapur, in Classroom C-10, with 55 students attending. The lecture was aimed at guiding students who wish to pursue a career in Chartered Accountancy (CA). The guest speaker, a CA professional, shared valuable tips and strategies for preparing for the CA exams, which are known for their complexity.

The lecture focused on various aspects of CA preparation, including understanding the syllabus, time management techniques, and the importance of consistent study habits. The guest speaker also discussed the challenges students may face during the course and offered practical solutions. Students were encouraged to start preparing early and utilize available resources effectively to improve their chances of success. The session provided motivation and a roadmap for students aspiring to become CAs, helping them set clear goals for their academic journey.

Report on Guest Lecture on SET/NET (05/08/2023)

On 5th August 2023, a guest lecture on "SET/NET Preparation" was held in Classroom C-7, with 32 students attending the session. The lecture aimed at providing students with insights into the preparation process for the SET (State Eligibility Test) and NET (National Eligibility Test) exams, which are essential for those looking to pursue a career in academia as a professor or researcher.

The guest speaker, an expert in the field, discussed the structure and syllabus of both SET and NET exams, highlighting the key areas of focus for successful preparation. The session also covered strategies for managing study schedules, the importance of revision, and recommended study materials. The speaker emphasized the role of research and teaching as career options and motivated students to consider higher education as a long-term goal. The lecture provided practical advice and boosted the confidence of students aspiring to take the SET/NET exams.

Report on Seminar on Preparation for Recruitment in Administrative Services

(28/05/2023)

A seminar on the "Preparation for Recruitment in Administrative Services" was conducted on 28th May 2023 in Classroom C-10, with 45 students in attendance. This seminar aimed to inform students about the various competitive exams required for recruitment in administrative services, such as the Civil Services Examination (CSE) conducted by UPSC. The event provided students with a thorough understanding of the steps involved in the recruitment process for administrative positions in government sectors.

The seminar focused on the eligibility criteria, syllabus, and exam pattern of the UPSC exams, and also included strategies for effective preparation. Students were given tips on managing their study time and the importance of staying updated with current affairs. The seminar also highlighted the significance of building a strong foundation in general knowledge and developing analytical skills. The session provided students with a clearer perspective on how to pursue a career in administrative services, motivating them to consider it as a potential career path.

Report on Lecture on Career in Police Department (30/12/2023)

On 30th December 2023, a lecture on "Career in Police Department" was held in Classroom C-11, with 48 students attending the session. The objective of the lecture was to provide students with a comprehensive understanding of the career opportunities available in the police force and law enforcement agencies. The lecture explored the various roles within the police department, from constables to officers in specialized fields like crime investigation and cyber security.

The guest speaker, a police officer, shared first-hand insights into the recruitment process, the physical and mental requirements, and the different branches within the police department. Students were informed about the qualifications and training required to join the police force, along with the challenges and rewards associated with this career. The session aimed to inspire students who are passionate about serving the community and maintaining law and order. Students left the lecture with a clear understanding of how to pursue a career in law enforcement.

Report on Guest Lecture on Teaching Career (20/01/2024)

A guest lecture on "Teaching Career" was organized on 20th January 2024 in Classroom C-10, with 52 students in attendance. The lecture aimed to provide students with guidance on how to pursue a career in teaching and education. The speaker, an experienced educator, discussed the various pathways available to become a teacher, including the qualifications required for different levels of education.

The lecture covered essential topics such as the significance of teacher training programs, the importance of passion for teaching, and the various career opportunities in the field of education, from primary to higher education. Students were also informed about the professional growth opportunities in teaching, including the option to pursue research, leadership roles, and specializations. The session inspired students to consider teaching as a fulfilling and impactful career, while also providing them with practical information on how to begin their journey in the field.

Report on Career in Management Field (02/02/2024)

On 2nd February 2024, a session on "Career in Management Field" was conducted in Classroom C-3, with 42 students attending the event. The session aimed to introduce students to the wide array of career options available in the field of management. The speaker provided valuable insights into various management roles, including business management, marketing, human resources, and finance.

The session also covered essential aspects of pursuing a management career, such as the importance of pursuing a management degree (MBA), the skills required to succeed in the field, and the job prospects available in both the private and public sectors. Students were encouraged to explore different areas of management and to consider internships and real-world experiences to enhance their skills. The lecture served as an eye-opener for students, providing them with a broad understanding of how to build a successful career in management.
